**Declaration & Agreements**

If awarded a scholarship, it is only to be used for reasons that are given by EAA Chapter 301, at the time it is awarded. The attendance fee will be paid directly to the EAA Air Academy.

For simplicity it is recommended that the parents arrange and pay for air travel in coordination with a member of the Scholarship Committee. EAA Chapter 301 will then reimburse them for that cost. (includes airfare, baggage fee and escort fee, if required).

I certify that all information in this application is true and correct.
